My Dear Mr. Manley -

As you can see now I am the Business Manager of the Raleigh Grays this year. Perhaps you do not know me, but I am the one with whom Hooks lives. Two things I am anxious to find out: I would like for you to send me some young promising ball players, especially would I be happy if you would help me to locate Billy Jackson who was to play with the Dilleville Grays. Second, I would like to know when you plan to come through Raleigh for wintering. If possible I would like to play you three or four times on your way up.

Please keep this in mind for we are paying a salary now and any one left with us could make some money -
